RESPONSE TO RESTRICTION REQUIREMENT

The action mailed February 25, 2004, has been received and considered.

Applicants, through the undersigned attorney, hereby elect Group I (i.e., claims 10-18 as originally filed) directed to a method of coating a substrate. Through this election, Applicants assume that the presentation of amended claims 10-18 and new claims 27-43 (in Amendment A mailed July 30, 2003) is effectively withdrawn, thus returning prosecution to the point where it stood upon issuance of the Office Action mailed April 2, 2003.

Further to this point, Applicants note that an amendment is being prepared and mailed separately. This is being done so that the outstanding action (i.e., the one mailed February 25, 2004) is responded to fully and completely in a single, separate document.

Questions regarding this submission should be directed to the attention of the undersigned.
